

St. Charles Borromeo Church Bible Journaling Small Group

We are a small group of people who simply share the love of growing in God's Word through Bible journaling. We would love for you to join our small group to explore Scripture creatively.

Join us, and discover the joy of journaling, sharing and even illustrating your faith. Some people journal in the Bible, others prefer to use a dedicated journal....either way is fine. The important thing is engaging with the Word with others who want to grow in their understanding of Scripture and walk with the Lord.

We meet monthly and use journaling, color and pens, pencils, paints and more to meditate on the Word together. Beginners are highly encouraged to join in! There is no right or wrong way to do Bible journaling, it is individual preference. No class or previous Bible journaling or art experience is necessary — just a heart ready to interact with the Word.

****This is not a class, but we will be sharing many tips and ideas for your creative engagement with the Word.**
